# About Neurosensory

Neurosensory has been providing outstanding hearing services to thousands of satisfied patients for over 40 years. We operate 24 clinics across Australia, and pride ourselves on being aligned with over 60 Ear, Nose and Throat (ENT) surgeons with decades of medical experience.

**Under the guidance of these ENT surgeons, Neurosensory audiology clinics provide:**

- A guaranteed standard for testing in hearing care across a comprehensive range of audiology services
- High quality reports specifically tailored to the needs of the medical community
- Co-located practices
- Close collaboration between ENT surgeons and audiologists

Comprehensive hearing and balance care for adults and children.

**Best-practice clinical care is paramount to both our ENT surgeons and our audiologists.**

Neurosensory goes from strength to strength as one of Australia's most trusted providers in hearing health care.
